Our Vision Statement

Journeying together with Christ

“Start children off on the way they should go, and even when they are old they will not turn from it.”

Proverbs 22:6

This is lived out in practice by our four Christian Values:

Love, Integrity, Creativity & Resilience

Love

John 13:34

“Jesus said ‘Love one another as I have loved you’”

We believe that we have been set the ultimate example of how to live our lives, by our God who is all loving.

Integrity

Hebrews 13:8

“Jesus is the same yesterday, today and tomorrow”

We understand a shared truth which was set out long ago but has not altered or veered, nor will it. This we can depend on and by emulating this, we too can live with integrity.

Creativity

Genesis 1:1

“God created the Heavens and the Earth”

Everything around us, and including us, was made by God and is therefore part of his glorious plan. From nothing, God created all we experience; therefore, we can draw hope that we too may see potential everywhere.

Resilience

Philippians 4:13

“I am able to do all things through Him who strengthens me.”

God promises to be by our side at all times, and especially in times of need. When we face challenges, having Him to support us gives us strength.

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

We, St Michael's C of E VA Primary School, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Stewart Caplen (see 'Contact us' below).

The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about pupils includes, but is not restricted to:

- Contact details, contact preferences, date of birth, identification documents
- Results of internal assessments and externally set tests
- Pupil and curricular records
- Characteristics, such as ethnic background, eligibility for free school meals, or special educational needs
- Exclusion information
- Details of any medical conditions, including physical and mental health
- Attendance information
- Safeguarding information
- Details of any support received, including care packages, plans and support providers
- Photographs

We may also hold data about pupils that we have received from other organisations, including other schools, local authorities and the Department for Education.

Why we use this data

We use this data to:

- Support pupil learning
- Monitor and report on pupil progress
- Provide appropriate pastoral care
- Protect pupil welfare
- Assess the quality of our services
- Administer admissions waiting lists
- Carry out research
- Comply with the law regarding data sharing

Our legal basis for using this data

We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

Less commonly, we may also process pupils' personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual's vital interests (or someone else's interests)

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

Collecting this information

While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you or your child, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

How we store this data

We keep personal information about pupils while they are attending our school. We may also keep it beyond their attendance at our school if this is necessary in order to comply with our legal obligations. Our Record Retention Schedule sets out how long we keep information about pupils. A copy of which can be obtained from the school office

National Pupil Database

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census and early years census.

Some of this information is then stored in the [National Pupil Database](#) (NPD), which is owned and managed by the Department and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) with any further questions about the NPD.

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

If you make a subject access request, and if we do hold information about you or your child, we will:
